

The Town of Greece is proud to have many beautiful trails to date and hopes to develop more in the future. These trails are perfect for hiking, cross country skiing, bird watching and all around family fun. Discover different types of trees, shrubs, plants, wildlife and animals.

**Badgerow Park Trail** is 1.6 miles long, and has many access points which you may enter via any parking facility at Badgerow North or Badgerow South Park.

**Cranberry Pond Nature Trail** begins at Braddock Bay Park. This area is known as the “Hawk Lookout”, a popular spot for bird watchers. You can also access the 3 mile trail from Lowden Point Road. There is a parking lot located just north of the Lake Ontario State Parkway.

**Multi-Use Trail Along Lake Ontario State Parkway** This newly constructed 3.3 mile, 12-foot wide, paved multi-use trail extends through the Town of Greece and the City of Rochester. The trail parallels the north side of the Parkway beginning at the existing I-390 Bike Path on the west side of I-390 and extends to the Genesee River Trail. Designated parking is available in the lot on the north side of Janes Road, just west of the I-390 overpass.

**I-390 Bike Path** This 5.1 mile bike path runs from W. Ridge Road and Janes Road. The trail parallels the west side of I-390. Parking is available at Basil Marella Park and Janes Road by the I-390 overpass.

Trail maps may be found in the kiosk at each parking location and at [www.greecenyny.gov](http://www.greecenyny.gov)

**The Bisig Nature Trail** was created as a joint venture with Monroe County. The 4.1 mile trail incorporates approximately 37 acres of Town Open Space and 250 acres of County Park Area Land. We graciously offer thanks to Monroe County for making this purchase possible with assistance from its Greenspace Initiative, allowing no impact to Town taxpayers.

You may access the trail from the following two locations:

Manitou Beach Road – Turn onto Manitou Lane, make a right on Parkway View and follow to the parking lot at the end of the road.

Payne Beach Road – Turn into the driveway of the NW Quadrant Monroe County Sewage Treatment Plant, and just before the gated entrance make a left into parking lot.

# TOWN OF GREECE TRAIL MAP

April, 2010

Please enjoy these wonderful trails. In an effort to preserve their beauty we ask that you observe the following rules:

- Please stay on trail.
- No motor vehicles.
- Please take trash with you when you leave.
- Do not hunt, trap or target practice.
- No dogs without leashes.
- Vandalism will be prosecuted.

For more information call the Town of Greece at 225-2000.
